

## Before you buy a Diesel Heater you should ask yourself “*Is my Heater .....*”

- Designed and manufactured in Europe, by a company with over 60 years experience, who produces over 1 million diesel heaters per year
- Designed and Manufactured by the company that is selling the product
- Supplied with a 2 year warranty
- Supplied complete with all the parts for your specific application
- Supplied with a comprehensive installation guide
- Supported by the manufacturer (not a distributor)
- Supported by a fully trained and authorised dealer network, providing after-sales support

***If you cant answer Yes to all these questions then you may want to contact Webasto or their nearest authorised Sales & Service Dealer who will be happy to discuss your requirements***
