

SolAire 5300

Full Feature Inbuilt Sunroof

Featuring
STRUCTURE+PLUS

Full Feature Inbuilt Sunroofs

The SolAire 5300 Full Feature Inbuilt Sunroofs are a value addition to your vehicle. Innovative design and quality manufacturing combine to create a beautiful and practical sunroof. Each SolAire 5300 sunroof matches the look and finish of the vehicle's exterior and interior, with a professional installed custom appearance. The SolAire 5300 is now equipped with Structure Plus. Structure Plus is designed to ensure proper function and strength in all approved Webasto sunroof installations. The additional structure and specific design make Webasto sunroofs with Structure Plus the strongest aftermarket sunroofs in Webasto's portfolio.
