

Hollandia 700-III Entry

Standard Inbuilt Sunroof

Featuring
STRUCTURE+PLUS

Product Features:

- Power inbuilt sunroof available in three sizes
- Highly protective automotive glass panel keeps out UV rays and heat
- Sliding sunshade, color matched to the vehicle's interior
- Hollandia 700-III Entry is also available in an upgraded Comfort version.

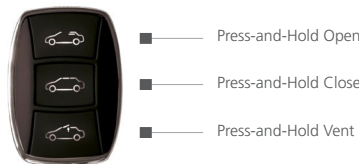

Standard Inbuilt Sunroofs

The Hollandia 700-III Entry offers three available sizes to fit nearly any vehicle. The inbuilt sunroofs are a value addition to your vehicle. Innovative design and quality manufacturing combine to create a beautiful and practical sunroof. Each Hollandia 700-III Entry Sunroof matches the look and finish of the vehicle's exterior and blends into the interior for a sophisticated finish. The sunroof panel vents to let in fresh air or opens fully to let in all the sun. The Hollandia 700-III Entry is now equipped with Structure Plus. Structure Plus is designed to ensure proper function and strength in all approved Webasto sunroof installations. The additional structure and specific design make Webasto sunroofs with Structure Plus the strongest aftermarket sunroofs in Webasto's portfolio.
